

Watch TV Everywhere

Step 1. Complete your one-time online registration.

1. Go to www.wtve.net
2. Click on the drop-down labeled “Select Your TV Provider” and select “SkitterTV”. If it already says SkitterTV at the top, continue to number 3.
3. Next, click “Register”
4. Enter your telephone number, and then enter the last name on the account. Then enter first name and last name on account. Enter a valid email and password. Check the box ...I’m not a robot. Once you created a password, we recommend you write it down because you will need it to access programming.
5. Once all registration fields are filled in, click the “Submit” button at the bottom of the page. An email will be sent to you with a link to complete your registration process. Clicking on the **link in your email** will be the final step to activate your registration.

Step 2. Access programming.

There are three ways to access programming from WatchTVEverywhere. Pick the option that works best for you. You will need the email address and password that you entered during your registration at www.wtve.net

Option 1: Go directly to the channel’s website that you are wanting to watch and enter the email address and password you submitted during registration process at www.wtve.net

Option 2: Visit www.wtve.net and click on the logo for the channel you want to watch.

Option 3: Go to your device’s app store and download the app for the channel you would like to watch. When you begin using the app, you will need to enter the email address and password you submitted during your registration at www.wtve.net
