

We are Protecting You From Cyber Threats

We Protect You from Cyber Attacks

With ProtectIQ network security from Colo Telephone all of your connected devices are being protected

ProtectIQ™

Enjoy online peace of mind while we keep the intruders.

Your devices are important to your life. ProtectIQ is your 24/7 internet watchman. With multi-layered protection, even your most vulnerable devices like smartTVs, thermostats and Wi-Fi cameras are protected before issues happen.

ProtectIQ puts a shield between your devices and bad actors, stopping threats before they ever make it to your devices.

No Equipment Required

ProtectIQ is integrated in your Wi-Fi router and used in the CommandIQ app

24/7 Support

As part of the Colo Telephone Wi-Fi service we're here for you if you need us.

Network Security

ProtectIQ is whole home network security made easy

Secures the most vulnerable devices

From thermostats, cameras, smartTV's and baby monitors.

Viruses, Malware and Intrusions

ProtectIQ is constantly hunting for bad actors and stopping them at the front door.

Updated Daily

World-class cyber security that is updated daily to keep you safe.
