## OVERVIEW OF SERVICE PUBLICATIONS

These Terms and Conditions and (where applicable) the following additional documents (collectively, "Service Publications") shall apply to all products and services the Company provides to customers:

**Pricing Schedules.** A "pricing schedule" means a service price sheet or similar pricing schedule (including related attachments) or other document that is included in Part 5 of these Terms and Conditions or that is later executed by the parties and references these Terms and Conditions. A Pricing Schedule includes the services, the pricing (including discounts and commitments, if applicable), the pricing term (if applicable) and may contain or incorporate by reference other service specific terms and conditions.

**Policies.** A "policy" means a Company policy that applies in accordance with its terms to any service or service capability within its scope, as may be modified by the Company from time-to-time, including the following:

- The Company's **Privacy Policy**, which can be found at:  
[www.centraliowabroadband.org](http://www.centraliowabroadband.org)
- The Company's **Acceptable Use Policy**, which is included or referenced in Part 3 of these Terms and Conditions and which can be found at:  
[www.centraliowabroadband.org](http://www.centraliowabroadband.org)
- The Company's **Network Management Policy or Network Transparency Statement**, which is included or referenced in Part 3 of these Terms and Conditions and which can be found at:  
[www.centraliowabroadband.org](http://www.centraliowabroadband.org)

**Service Contracts.** "Service Contracts" means service orders, service contracts, service level agreements, service-specific terms and conditions and similar documents signed by or provided to the customer containing specific descriptions, pricing and other terms and conditions for products, services or service components that are not covered by these Terms and Conditions or that are in addition to or different from these Terms and Conditions.

## PRIORITY OF SERVICE PUBLICATIONS

The order of priority of the Company's Service Publications is:

- a. **For prices:** The applicable Pricing Schedule found at (a) the company's website, (b) the Price List in Part 5 of this service catalog; or (c) any service agreement signed by the customer;
- b. **For Terms and Conditions:** any applicable Service Contract, the Company's Policies and these Terms and Conditions; provided that for any regulated services a rule may be first in priority in any jurisdiction where the applicable law or regulation does not permit contract terms to take precedence over inconsistent terms and conditions.

If a conflict exists among provisions of the Company's Service Publications, such conflicts will be resolved in accordance with the preceding order of priority; provided that specific terms will control over general provisions and negotiated or added terms, conditions or pricing will control over standardized, published or non-negotiated terms, conditions and pricing.

## **CHANGES TO SERVICE PUBLICATIONS**

Unless otherwise provided in your Service Publications, the Company may revise its Service Publications at any time. If the Company revises a Service Publication, the revision has a materially adverse impact on customer, and the Company does not implement revisions that remedy such materially adverse impact within 30 days after receipt of notice from customer, then customer may, as customer's sole remedy, elect to terminate the affected service or service components as provided in Part 1, Section 1.7.

### **1.1 APPLICATION OF TERMS**

The General Terms and Conditions set forth in Part 1 of this Service Catalog apply to all products and services the Company provides customer pursuant to this Service Catalog and shall continue in effect so long as services are provided under this Service Catalog. To the extent applicable to any service, services are also subject to the service-specific terms and conditions set forth in other Parts of this Service Catalog.

In the event of any conflict between these General Terms and Conditions and the service-specific terms and conditions set forth in other Parts of this Service Catalog, the service-specific terms and conditions shall control.

### **1.2 OBLIGATION AND LIABILITY OF THE COMPANY**

1. Availability of Facilities. The Company's obligation to furnish services is dependent upon its ability to secure and retain, without unreasonable expense, suitable facilities and rights for such facilities, except as provided for in 1.4(7) Construction Charges.
2. Allowance for Failure of Service. The Company does not guarantee uninterrupted working of its service or equipment. In case service is interrupted other than by the negligence or willful act of the customer, an adjustment will be made in the amount of the charges for that portion of the service rendered inoperable. Any adjustment shall apply only if the interruption continues beyond twenty-four (24) non-holiday weekday hours after first noted by the Company. Adjustment may be made in the form of a bill credit. No other liability shall in any case attach to the Company.

3. Transmitting Messages – Security. The Company does not transmit messages, but offers the use of its facilities, where available, for communications between parties, subject to these Terms and Conditions. Access to and use of any information or data obtained by customer or any user via use of service is at the customer or user's own risk, and the Company is not responsible for the accuracy, reliability or security of such information. The Company makes no attempt to verify accurate receipt of any messages and the Company is not responsible for any loss of data resulting from delays, non-deliveries, incorrect deliveries, viruses, e-mail filtering, service interruptions, etc. The Company makes no representations, warranties, or assurances regarding the security of any system or network or the protection or privacy of email or other information transferred or communicated through the Internet or any other system or network. In establishing connections with the facilities of other companies, the Company does not assume any liability for any action of the connecting company.
5. Defacement of Property. The Company shall exercise care in all work done on a customer's property. No liability shall attach to the Company by reason of any defacement or damage to the customers' property resulting from the existence of the Company's instruments, apparatus and associated wiring on such property, or by the installation or removal thereof, unless such defacement or damage is the result of the negligence of the Company, or its employees.
6. Limitation of Liability  
The Company shall not be liable for any damages arising out of or relating to:
  - a. service defects, service levels, delays or any service error or interruption, including interruptions or errors in routing or completing any 911 or other emergency response calls or any other calls or transmissions (except for credits explicitly set forth in this Service Catalog);
  - b. interoperability, access, or interconnection of the services with applications, data, equipment, services, content or networks provided by customer or third parties;

TO THE EXTENT PERMITTED BY LAW, THE COMPANY'S TOTAL LIABILITY FOR ANY CLAIM CONCERNING SERVICES OR EQUIPMENT PROVIDED UNDER THIS SERVICE CATALOG, INCLUDING FOR ANY EXPRESS OR IMPLIED WARRANTIES, IS LIMITED TO THE AMOUNT PAID FOR THE SERVICES OR EQUIPMENT THE COMPANY PROVIDED, WHETHER SUCH CLAIM OR REMEDY IS SOUGHT IN CONTRACT OR TORT, INCLUDING NEGLIGENCE, STRICT LIABILITY OR OTHERWISE. TO THE EXTENT PERMITTED BY LAW, THE COMPANY SHALL NOT BE LIABLE FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, PUNITIVE, SPECIAL OR TREBLED OR ENHANCED DAMAGES, INCLUDING, BUT NOT LIMITED TO LOST PROFITS, LOST BUSINESS, OR OTHER COMMERCIAL OR ECONOMIC LOSS, WHETHER SUCH DAMAGES ARE CLAIMED FOR BREACH OF CONTRACT, NEGLIGENCE OR OTHERWISE AND WHETHER OR NOT WE HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

### **1.3 ESTABLISHMENT AND MAINTENANCE OF CREDIT**

1. Establishment of Credit. The Company is not obligated to provide service to any individual or firm that owes for services previously rendered by the Company at the same or a different address, until arrangements have been made to liquidate such previous indebtedness to the Company. Applicants for service may be required to pay in advance of installation, the service connection, installation and/or construction charges and any recurring charges to be assessed on the first monthly bill statement. In order to ensure the payment of all charges due for its service, the Company may require any customer to establish and maintain credit in one or more of the following ways:
  - a. by authorizing a commercial credit check by the Company.<sup>1</sup>
  - b. by furnishing credit references acceptable to the Company.
  - c. by means of a cash deposit.

- b. The amount of deposit required shall not be more than the maximum charge for three months service or as may be required by the Company in cases involving service for short periods or special occasions. The Company may require the customer to increase the amount of the deposit at any time, if the charges billed against the customer are found to warrant such an increase.
    - c. The Company will maintain records which show the name and address of each depositor, the amount and date of the deposit and each transaction concerning the deposit. Unclaimed deposits shall be disposed of in accordance with law.
    - d. A receipt of deposit will be furnished to each customer from whom a deposit is received. Upon customer request, duplicate receipts will be provided to customers who have lost their receipt if the deposit is substantiated by the Company records.
3. Deposits and Collection Practices. The fact that a deposit has been made in no way relieves the applicant or customer from complying with the Company's regulations as to advance payments and the prompt payment of bills; nor constitutes a waiver or modification of the regular practices of the Company providing for the discontinuance of service for non-payment of sums due the Company for services rendered. The Company may discontinue service to any customer failing to pay current bills regardless of the fact that such customer has made a deposit with the Company to secure payment of such bills, or has furnished the Company with a guarantee in writing for such bills.
4. Deposit Refunds
  - a. The deposit shall be refunded or credited to the customer after not more than 12 consecutive months of prompt payment, unless the Company has documented information which indicates the deposit is necessary to insure payment.

Except as otherwise agreed by the Company, the customer must furnish any conduit, holes, wireways, wiring, plans, equipment, space, power/utilities and other items as the Company reasonably requires for the services and will obtain any necessary licenses, permits and consents (including easements and rights-of-way). Customer must provide the Company timely information and access to customer's facilities and equipment as the Company reasonably requires for the services, according to a mutually agreed schedule.
3. Safe Working Environment. Customer will ensure that the location at which the Company installs, maintains, or provides services is a safe working environment, free of Hazardous Materials and reasonably suitable for the services. For purposes of the preceding, "Hazardous Materials" mean any substance or material capable of posing an unreasonable risk to health, safety or property or whose use, transport, storage, handling, disposal or release is regulated by any law related to pollution, to protection of air, water or soil or to health and safety. Customers may not rearrange, disconnect, or remove or permit others to rearrange, disconnect, or remove any Company owned facility installed by the Company unless provided elsewhere in these Terms and Conditions.
6. Unusual Installation Costs. Where special requirements of the customer involve unusual construction or installation, the customer may be required to pay additional costs as provided elsewhere in these Terms and Conditions.
7. Construction Charges.

For purposes of rate administration each month is considered to have 30 days.

- b. The Company may require a contract period longer than one month at the same location for unusual construction necessary to meet special demands and involving extra costs.

## **1.5 NETWORK CONNECTIONS AND USE OF SERVICE AND FACILITIES**

1. Demarcation Point. Customers are connected to the Company's network at a point of demarcation. The demarcation point is either outside or inside the premise and is typically the location where the Company's network is terminated. Connection of new inside station wiring to the network shall only be made at the demarcation point. Connections of inside station wiring to the network, and any installation of customer premise equipment, shall only be made at the demarcation point and shall be made in accordance with any applicable state or federal laws governing the installation and use of customer premise equipment and wiring. It is the customer's responsibility to ensure compliance with any applicable federal or state laws, including but not limited to Part 68 and/or Part 76 of the FCC rules, the National Electric Code, and other FCC and Iowa rules and regulations.
2. Use of Customer Service
  - a. Service is furnished on retail basis for residential or business use only. Service accounts are assigned to customers only, and the customer(s) in whose name the account is established will be the account owner(s) for all purposes. Account owners shall be responsible for any and all use of the subscribed service. Customers will cooperate with the Company to prevent third parties from gaining unauthorized access to services via the customer's facilities.
  - b. Services must be used in compliance with applicable Service Publications, including all applicable Company policies. Without limiting the preceding, customers shall not use services for fraudulent, abusive, unlawful, or destructive purposes or in any manner that causes interference with the Company's or another service subscriber's use of the Company-provided network.
  - c. Services may not be resold, except as authorized in a specific Service Contract signed by authorized representatives of both the permitted reseller and the Company.
3. Connection of Customer Premise Equipment and Wiring
  - a. Except when leased from, licensed from, or otherwise provided by the Company, all premise equipment and wiring after the demarcation point is the property and responsibility of the property owner.
  - b. Customers may provide and install their own customer premise equipment and wiring on the customer's side of the demarcation point so long as no electronic or physical harm is caused to the Company's network. If the Company determines the customer premise equipment and wiring is causing or is likely to cause interference or hazard to the network, the Company will take such action as it deems necessary for the protection of the Company's network. After notification by the Company of such interference or hazard, the customer shall discontinue such use and disconnect such premise equipment and wiring. Failure of the customer to conform to this requirement may result in suspension of service.

- c. Customers are not permitted to physically cut, improperly terminate, substantially alter, or otherwise destroy the Company's owned premise equipment and wiring on the Company's side of the demarcation point.
- d. The Company's network is not represented as being adapted to the use of all customer premise equipment and wiring. The Company shall not be responsible for: (a) the through transmission of signals generated by the customer premise equipment or for the quality of or defects in, such transmission; (b) the reception of signals by the customer premise equipment.
- e. The Company shall not be responsible to the customer if changes in criteria in these Terms and Conditions or changes in any of the facilities, operations or procedures of the Company render any customer premise equipment and wiring obsolete, or requires modification of such equipment and wiring.
- f. Where the Company leases, licenses or otherwise provides equipment, such equipment is provided to customer for the term of service and solely for use in connection with lawfully receiving and using service. All such equipment remains the property of the Company. When service is cancelled or disconnected, the customer must return any such equipment to the Company during regular business hours, Monday through Friday (except holidays). The equipment must be returned to the Company in the same condition as installed or received, except for normal wear and tear. All such equipment must be returned to the Company's business office or an alternative location designated by the Company at the time of cancelation or disconnection. If a customer is unable to travel to the Company's business office or other designated location to return the equipment, the customer may request pick-up. Provision of pick-up service is solely at the Company's option and the Company's refusal or failure to provide pick-up service will not excuse the customer's obligation to return equipment. If the Company agrees to provide pick-up service, pick-up will occur during the business week and only during regular business hours. There may be a fee for pick-up, which customer will be informed of when pick-up service is requested, and which will be payable at time of pick-up. If a customer fails to return equipment at the time of cancellation or disconnection of service, the customer may be liable to the Company for an equipment recovery fee as set forth in Part 5 of these Terms and Conditions.
- g. The customer is responsible for the maintenance and safekeeping of all equipment placed in or on the customer's premises. The Company has no responsibility for replacing equipment destroyed or damaged by the customer's misuse, abuse, or neglect. In the event that any equipment provided by the Company is destroyed, damaged (ordinary wear and tear excepted), lost or stolen while in the customer's possession, the customer may be liable to the Company for an equipment recovery fee as set forth in Part 5 of these Terms and Conditions.

## **1.6 PAYMENT FOR SERVICE AND FACILITIES**

All bills for services are due not less than 20 days after the bill is rendered. When a customer is connected or disconnected, or for other cause the service received deviates by more than twenty-four consecutive hours from the normal billing period, the bill may be prorated. If the prorating indicates a refund is due, the refund shall be accomplished by bill credit. Failure to receive a bill does not relieve the customer of the responsibility for payment.
  
2. Application of Residence and Business Rates
  - a. Residence rates apply at the following locations:
    - i. In a private residence where business listings are not provided.

4. Service Check – Wi-Fi Connectivity, Customer Premise Equipment and Wiring and Repairs
  - a. A service check will be performed when a customer requests the Company to perform a check of its facilities up to the demarcation point.
  - b. Where feasible, customers will also be encouraged to unplug Customer Premise Equipment or disconnect all inside wiring at the demarcation point so as to self-diagnose where their wiring or equipment may be causing an out of service condition.

  - d. No charges will be assessed when a service check is performed and:
    - i. The Company determines the trouble exists on the Company's side of the demarcation point; or
    - ii. The Company identifies or repairs any trouble on the customer's side of the demarcation point and the customer does purchase a network maintenance plan.

  - b. Where service has been discontinued for the non-payment of a due bill, the customer may be required to reestablish credit as defined in Establishment and Maintenance of Credit.
  - c. The maximum payment for restoration of service that existed prior to disconnection shall be the total past due amount, applicable nonrecurring charges and if appropriate, an Advance Payment and Deposit as specified elsewhere in these Terms and Conditions.

When the period or amount for which overbilling cannot be fixed from available records, the maximum refund or credit will not exceed an estimated amount of such billing.

## 1.7 TERMINATION OR SUSPENSION OF SERVICE

1. Termination or Suspension. Notwithstanding any agreed or required minimum term, service may be suspended or terminated as follows:
  - a. **Material Breach**. If customer fails to perform or observe any material term or condition of service, including non-payment of charges, and such failure continues unremedied for 30 days (5 days for customer's failure to fulfill its payment obligations, including failure to pay a required deposit) after receipt of notice, the Company may terminate (or may suspend and later terminate) the affected service.
  - b. **Materially Adverse Impact**. If the Company revises a Service Publication, and the revision has a materially adverse impact on customer and the Company does not produce a revision that remedies such materially adverse impact within 30 days after receipt of notice from customer, then customer may, as customer's sole remedy, elect to terminate the affected service on 30 days' notice to the Company, given not later than 90 days after customer first learns of the revision to the Service Publication. "Materially adverse impacts" do not include changes to standard pricing, changes required by governmental authority, or assessment of or changes to additional charges such as governmentally imposed costs and fees (examples include USF, PICC, E911 and telecommunications relay charges).
  - c. **AUP; External Service Threats; Government Action**. If customer fails to rectify a violation of the Acceptable Use Policy ("AUP") within 5 days after receiving notice from the Company, the Company may suspend the affected service. The Company reserves the right, however, to suspend or terminate immediately when: (i) the Company's suspension or termination is in response to multiple or repeated AUP violations or complaints; (ii) the Company is acting in response to a court order or governmental notice that certain conduct must be stopped; or (iii) the Company reasonably determines that (a) it may be exposed to sanctions, liability, prosecution or other adverse consequences under applicable law if the Company were to allow the violation to continue; (b) such violation may harm or interfere with the integrity, normal operations or security of the Company's network or networks with which the Company is interconnected or may interfere with another customer's use of the Company's services, network or the Internet; or (c) such violation otherwise presents an imminent risk of harm to the Company, the Company's customers or its or their respective users or employees.
